

Resilient

As we enter into our last term of the academic year we will be focusing on the transition project. This year the cluster decided to have the story the We're Going on a Bear Hunt as our theme. From now until the summer a lot of our activities will have a We're Going on a Bear Hunt theme, for the children going to Primary one this transition topic will carry onto Primary one with them as a familiar topic for your child.

Equal

Ms Riaz is continuing her Childhood in practice course through Edinburgh University with the focus on Diversity. Some of the children helped her make Chapattis inside and then took them out and cooked them on the fire pit for a lovely afternoon snack.

Achieving

As the weather has been a little warmer a lot more of the children have been outside playing. We've had games of Jenga, singing with our music specialist Suzanne, ice cream shops, sunbathing and much more.

As we are continuing our Froebelian journey I have attached a sway link for you to click on to see some of the great work that has been going on at Bankier ELC in term 3.

Contributing

Dojo is still our main way of communication with our families either through posts or private messaging and we now have 100% of our parents connected through Dojo. This is a fantastic rating and we hope you are all finding it a beneficial way of communicating. Please also remember you can speak to staff on a 1:1 basis or telephone us on 01324 849971 if required.

Healthy

Thank you very much again this year for your cooperation on sunscreen. I have attached the link to the met office for your convenience so you can check the UV index in the morning before arriving at the nursery. Can we please ask parents to initial the sheet to say that have applied sun cream to their child that morning. To help make the queue go faster in the morning the sun cream and sheet will be brought out early in the morning before the bell and you can initial the sheet before joining the queue. Staff are working alongside this policy to keep your child safe throughout the day and we appreciate your cooperation.
